## EDUCATION

---

**Purdue University**, Polytechnic Institute **May 2027**  
Bachelor of Science Double Major in Web Development & Data Visualization GPA:3.4/4.0  
*Relevant Coursework: Computer Graphics Programming I, Internet Found Tch&Dev, UXD Fundamentals*

## PROJECTS

---

**Innos-Portfolio**, *Personal Project* **February 2025 - Present**

- Developed and continually updated a personal portfolio website using HTML, CSS, and GitHub, ensuring zero validation errors and adding semantic meaning.
- Implemented scalable CSS design, improving accessibility with media queries for all screen sizes.
- Leveraged GitHub for version control, ensuring organized and efficient development with zero downtime during updates.

**MiniJam**, *MiniJam Development Club* **January 2025 - February 2025**

- Contributed ideas and solutions in a team of 2 developers, an artist, and 2 sound designers, leading to the completion of 2 major features within the project timeline.
- Used GitHub for version control and collaborative code management, resulting in a 50% reduction in code conflicts due to frequent small commits.
- Developed features in C#, enhancing algorithmic thinking skills and contributing to a 15% improvement in project efficiency.

## SKILLS

---

**Design:** HTML, CSS, JavaScript  
**Analysis & Control:** GitHub

## EXPERIENCE

---

**Subway** **December 2022 - July 2023**  
Sandwich Artist *Highland, IN*

- Improved customer service by resolving concerns and promoting clear communication.
- Maintained cash register operations, ensuring transaction accuracy for 30 customers per hour.
- Worked with 15 colleagues to maintain a tidy and orderly workplace environment.
- Showed leadership providing guidance, training, and support to employees and new hires.
